Calgary, Alberta T2P 3N9

Thomas' extensive project coordination and analysis experience has made him a valued member of the Assurgo Enterprises team. His detailed methodology, pragmatic approach and superb organizational skills combine to ensure executional excellence in Assurgo projects. Thomas further drives value for clients through his solid understanding of financials and keen insights into identifying and delivering greater efficiencies throughout the entire scope of the project

Thomas began his career as a Consultant Assistant for IG Wealth Management in 2018. Having gained valuable experience and key insights into the financial sector, Thomas parlayed that experience as an eBusiness Analyst for WCB-Alberta in 2019. He went on to join the City of Edmonton as a Continuous Improvement Analyst in 2020. Recognized for his entrepreneurial thinking, keen analytical skills and strong attention to detail, Thomas was recruited by Assurgo Enterprises Inc. in 2021 as an Analyst to assist clients with valuable support for their business opportunities.

Thomas graduated from the University of Alberta with a Bachelor's in Commerce Degree in 2020. He furthered supplemented his education as an undergraduate at the University of Edinburgh's prestigious summer school curriculum where he focused in sports studies.
