Suite 1900, First Canadian Centre  
350 - 7th Avenue SW  
Calgary, Alberta T2P 3N9

Sunil is a proven leader and a valued member of Assurgo Enterprises. He has extensive experience working with Canadian and international clients in corporate finance, financial planning and analysis, and mergers and acquisitions. Recognized for his strategic insight and collaborative approach, Sunil focuses on supporting management teams in achieving their objectives by executing robust financial solutions and creating better synergies across functions.

Sunil is a CFA Charter Holder and holds two master's degrees – an MSc (Finance) from the University of Durham, United Kingdom, and an MCom from Madras Christian College, India. He has had a career spanning more than 15 years across various industries.

His last role was as Corporate Finance Manager for Al Babtain Group, Kuwait, a leading conglomerate operating in multiple sectors - automobiles, real estate, and information technology. In this role, he collaborated with a leading strategy company to successfully implement improved finance practices across the group. In addition, he conducted various studies to increase the group's investment portfolio.

Before this, he worked in the O&G sector as a Senior Financial Analyst for First Energy Resources Company, Kuwait. He conducted extensive research and built comprehensive due diligence reports to identify and recommend private equity O&G investment opportunities. He has also worked in the logistics sector with Agility.
